Activities include arts and crafts, face painting, and fun in the IGNITE Kiddie Splash Park, which will be set up exclusively for the event.

The little ones will also enjoy land-based activities and games, carefully planned to match their age and abilities—ensuring a 3-year-old's experience is different from that of a 5-year-old. Additionally, there's a water element where games are played on blue mats in shallow water, along with a thrilling slip-and-slide for endless fun.

This party runs for 1.5 hours from the time we commence the activities, ensuring plenty of time for all the fun!

Parents are welcome to get involved too! Whether it's helping with arts and crafts, joining in the water games, or cheering their little ones on, there are plenty of opportunities for parents to be part of the fun and make lasting memories together.

KIDS MUST KNOW HOW TO SWIM

The IGNITE Water Sports & Water Park Birthday Package offers kids an action-packed celebration filled with fun and adventure. Each party is tailored to suit the age group, with activities adjusted for younger kids, like 6-year-olds, and older children, such as 14-year-olds.

The fun begins with land-based challenges, such as sack races and musical hoops, before moving to the water. Kids are fitted with life vests and take part in activities like games on a Giant SUP (Stand-Up Paddleboard), paddling kids' kayaks, racing on blue mats, or trying nipper boards (surf rescue boards). Older kids can also race Giant SUPs with paddles or try stand-up paddleboarding.

This 1.5-hour package traditionally includes 30 minutes of water sports activities followed by 60 minutes on the IGNITE Water Park. However, we're flexible with this split and can adjust it to suit the celebrant's preferences. With exclusive access to the water park and a perfect mix of challenges and fun, this fully supervised party guarantees energy, laughter, and unforgettable memories for all.

Note: All prices are excluding VAT
Package price commences at 15 kids minimum

1-Hour Activity Party: Typically lasts 2 hours (including activities and cake cutting).

1.5-Hour Activity Party: Usually runs for 2 to 2.5 hours (including activities and cake cutting).

2-Hour Activity Party: Typically lasts 2.5 to 3 hours (including activities and cake cutting).

After the activities, there will be time for food and cake cutting.

We allocate a 3-hour block for each party in the area to ensure a smooth experience. After that, we may need to clear the space if another party is scheduled. While your party is in progress, please note that another event may be setting up nearby, for example, a party in the **IGNITE Garden** while we prepare decorations in the **IGNITE Beach**. There may be other kids in the area, but we ensure that each party has its own space to enjoy.
